William Moore Corporation, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Here Comes the Bride is a spiritual guide for women desiring a husband who embraces commitment, God, and traditional values. Through scripture and biblical passages as well as old school RB and his own experiences, Moore offers advice to women who patiently wait for a godly husband. As a reformed Prince Charming, Moore shares his wisdom as to how to distinguish Mr. Right, a devoted husband, from Prince Charming, who talks a good game but doesn't deliver on his promises. He provides advice on disentangling yourself from the clutches of a womanizer in order to open yourself up to the man that God has for you. He enumerates the qualities of a godly husband and the red flags to avoid when you evaluate your true partner. It's fascinating how Moore instructs his readers to use the word of God to break free from their cycles of disappointment. He stresses that by spending time building a relationship with God first then waiting for a partner who will appreciate your many assets, your true happiness will soon be realized. With a delicate mix of anecdotes, humor, and strategic advice, Moore will guide you into abandoning destructive patterns that interfere with real love. Told in plain and direct language, this is a book for any single or divorced woman who wants to change her life by only accepting a partner who will commit to a faith-based passionate life together.
